This is a BIG DEAL!

Dear <Sample A. Sample>:

We are pleased to announce that the Chevron Retirees Association is bringing you access to a BIG new benefit with special savings. Now, just for being a dues paying member of CRA, you can get special group discounts on auto [and home] insurance from MetLife Auto & Home®. [Many policies are available, including condo coverage, renter's insurance, and coverage for your RV, to name a few. These are just a few of the types of coverages provided.]

You should call MetLife today for your free quotes.

You could save up to 15% automatically with your member group discounts. Plus, you can even get additional discounts based on your years of CRA dues-paying membership, if you are a good driver, if you have anti-theft devices in your vehicle, or if you have multiple policies.

Best of all, you get unique MetLife Auto & Home coverages*. Compare these excellent benefits to what you may not be getting from your current insurance company:

- If your new car were totaled either within the first year, or up to 15,000 miles (whichever comes first) MetLife Auto & Home would replace it**.
- If your tires, battery, or shocks were damaged in an accident, you'd get brand-new parts, with no deduction for depreciation.
- Should you need a rental while your car is being repaired due to a covered loss, MetLife Auto & Home would even cover you if the rental car were damaged.
- [You can also get full replacement cost coverage for your home and its contents, which covers you even if the cost to repair your home exceeds the dwelling limit on your policy.]

And, you'll always receive superior customer service from the MetLife Auto & Home professional representatives.
