Dues-Paying Members of the Chevron Retirees Association:

It gives me great pleasure to announce that you will have an opportunity to join the CRA Dental Program with MetLife. You will have up to 30 days from receipt of this package in which to elect coverage. You have the choice of participating in one of two plans – either the Low Plan (Option 1) that will cover maintenance type services only or the High Plan (Option 2) that will cover both maintenance type services as well as various other procedures, including restorative. These are group plans and as such they offer competitive coverage at reasonable premium costs. The cost is determined by the retiree's place of residence.

No one can afford to overlook the need for good oral health. As we're aware there is a direct link between good oral health and our general health. We all owe it to ourselves and our families to maintain our health. We cannot overlook the necessity to make periodic visits to our dentists. The CRA Dental Plans are a way of making it easier and more efficient to deal with the matter. So please carefully consider the MetLife Plans and please be sure to talk about these plans with your fellow CRA Members and other Chevron legacy retirees, i.e., Texaco, etc.

Enclosed is an Enrollment Package that is being provided by MetLife. The Package contains information about the Program as well as information on how to enroll in one of the two Plans that are being offered. Also included in the Package is information on how to contact MetLife to enroll or have questions answered about the dental coverage that is being offered.

Please note, if you are a member of Chevron's Dental Plan and you have questions about the Chevron Plan please contact the Chevron HR Center at (888) 825-5247. Their hours of operation are 6 AM to 5 PM, PT, Monday through Friday.

If you have any other questions please contact Al Horan who is the Chair of CRA's Benefits Committee. His phone number is (972) 964-1787 and his email address is awhoran@verizon.net.

I wish to thank you for your continued support of the Chevron Retirees Association.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis L. Dauphin".
